Snowstorm Fun

Sometimes when there is a big snowstorm, 7
there is no school. On these snow days, Mom has 17
to call a babysitter. I like it when my babysitter is 28
my grandmother because she enjoys baking. 34

She likes to make homemade bread or 41
cupcakes. They are so delicious! Grandma lets me 49
mix things in big bowls. 54

In the afternoon, I go outside to play. That's 63
when the real fun begins. I have to bundle up in 74
my coat, scarf, hat, and boots because it is so cold 85
outside. I always put on mittens so I do not get 96
frostbite. But I do like to feel the snowflakes on 106
my face. 108

My friend Emma and I play in the backyard. 117
We like to jump into the snowdrifts! Then we roll 127
huge balls of snow to make a snowman. 135
Sometimes we can't put the head on because it is 145
too tall to reach. So my brother helps us. I like 156
these snow days because they are so much fun! 165
